LB 189, 371, 392, 642
LR 110

SPEAKER WITHEM: One minute.

SENATOR AVERY: ...we have more children...

SENATOR SCHIMEK: You're talking 700 and some more cases here. I mean if you took all of them in the corrections and all of them in other agencies, you're talking almost 800 more cases.

SENATOR AVERY: But the information I have is some of these are already in the system, they're already being reviewed. Some of these are children that are already being reviewed in the system. Okay,...

SENATOR SCHIMEK: I just question whether we had thought through the fiscal implications of all of this and whether we have the answers to all of this, Senator Avery. I'm not satisfied that I know exactly and maybe...I mean, I've tried to be...I've tried to pay attention and I'm sure the other people on the floor have too, but I'm skeptical about these...

SPEAKER WITHEM: Time.

SENATOR SCHIMEK: ...other 800 cases and whether they're going to be reviewed. Thank you.

SPEAKER WITHEM: Mr. Clerk, would you like to read some items in?

CLERK: I would, Mr. President, thank you. Your Committee on Judiciary, Chaired by Senator Lindsay, reports LB 371 to General File with committee amendments attached. LR 110, a resolution by Senator Brown. (Read brief summary of LR 110.) Amendments to be printed. Senator Lindsay and Withem to LB 189, Senator Wesely to LB 392, Senator Witok to LB 392, Senator Lindsay to LB 371, Senator Bernard-Stevens to LB 392, Senator Withem to LB 371. That's all that I have, Mr. President. Thank you. (See pages 2068-78 of the Legislative Journal.)

SPEAKER WITHEM: Thank you. Senator Bernard-Stevens, you're next in the speaking order. Oh, he just waived off. Thank you. Senator Wesely.

SENATOR WESELY: Thank you. Mr. Speaker and members, I would ask Senator Avery if he would yield to some questions, if he doesn't mind.
